

Meet the New Boss

BASIN BOSS™
Packaged Sewage System

Pre-Packed with Features to Make Your Job Easier!

 **HYDROMATIC®**

EXCLUSIVELY FOR THE PROFESSIONAL

BASIN BOSS™ Packaged Sewage System

BASIN BOSS™
Packaged Sewage System

Plumbing professionals have counted on Hydromatic to meet all their wastewater pumping needs since 1959. With the new Basin Boss packaged residential sewage system, you get everything you need for fast installation and service, plus extra capacity you don't get from other brands!

45-Gallon Basin

24" x 24" Shallow-Design Basin allows for 10% more capacity than leading competitors' best system for single-family homes and 30% more capacity than standard 18" x 30" basins.

Easy-Out™ Switch Rod

Lets you easily remove float switch without removing basin lid or handling pump or plumbing. Additional clip included. Second float sold separately.

Anti-Flotation Features

A concrete splash lip and unique basin shape keep the basin from floating, keeping the pump in its properly installed position.

Integral 360° Top Grip

For easy lifting and handling in tight spaces.

Q-Alert™ High-Water Alarm

Small, residential high-water alarm is ideal for furnishing an inexpensive way to protect home and valuables. Indoor/outdoor applications, sold separately.

2" Solids-Handling Capability

Available with 4/10 HP or 1/2 HP Hydromatic Sewage Pumps, pre-installed on integral torque stops in basin ensure stability.

Shallow-Depth Basin

Only 24" deep, reduces installation time for digging pit.

Stackable Design

Lets you carry more units on your trucks and inventory vertically to save space.

Basin Boss™ Packaged System Includes:

45-Gallon Basin

4/10 HP (HBB-SKV40) OR

1/2 HP (HBB-SKV50) Residential Pump

Easy-Out™ Rod with (2) Float Switch Clips

Float Switch with Piggyback Plug

Pentair Water
